

LIQUIDWARE SPARKS TOOL LICENSE AND DISCLAIMER

Version 1.0

IMPORTANT: READ BEFORE DOWNLOADING OR USING

This License and Disclaimer ("License") governs your access to and use of the Liquidware Labs, Inc. ("Liquidware") community tool, script, integration, or utility distributed with this License (the "Tool"). By downloading, installing, using, or exercising any license rights in the Tool, you accept and agree to be bound by the terms and conditions of this License. If you are using the Tool on behalf of a corporation or other legal entity ("organization"), then (i) all references to "you" in this License after this paragraph include that organization, and (ii) you as an individual represent and warrant (x) that you are currently employed by the organization and have the authority and legal ability to bind the organization with respect to this License, and (y) the organization agrees to be bound by all of the terms and conditions of this License. If you do not agree, then do not download, install, use, or exercise any license rights in the Tool.

1. NATURE OF THE TOOL

The Tool is a community and field-contributed utility made available for convenience. It is not a Liquidware commercial product. The Tool is provided outside Liquidware's standard product development lifecycle. It is not subject to the testing, quality assurance, security review, code signing guarantees, support commitments, or service levels that apply to Liquidware's commercially licensed products. Liquidware does not represent that the Tool has been reviewed for security, reliability, data protection, or fitness for any environment. Liquidware may discontinue the availability of the Tool at any time without notice.

2. LICENSE GRANT

Subject to the terms and conditions of this License, Liquidware grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license to use the Tool solely for your internal purposes.

The Tool is protected under copyright, trade secret and other intellectual property rights. You may not (a) sublicense, reproduce, distribute, market, sell, transfer, or disclose the Tool, (b) translate, modify, disassemble, or reverse engineer the Tool (provided that this restriction does not apply if and to the extent such a restriction is not permitted by applicable law), (c) create derivative works based on any portion of the Tool, (d) obtain possession of any source code or other technical material relating to the Tool, (e) remove, alter, or obscure any copyright notices or proprietary legends included with the Tool or its documentation (including without limitation any Third Party Terms as defined below), or (f) export, ship, transmit, or re-export the Tool in violation of any applicable law or regulation, including US export laws.

3. THIRD-PARTY COMPONENTS

The Tool may include or link to third-party libraries, components, or programs that have their own license terms, including open source software (“Third Party Components”). Liquidware makes no representations regarding such Third Party Components and disclaims all liability for them. If any notice or license terms for Third Party Components (“Third Party Terms”) are identified or linked in, or provided in or with, any Third Party Components, those Third Party Terms will apply to your use of the Third Party Components to the extent that they indicate that they otherwise apply in lieu of or in addition to this License.

4. ASSUMPTION OF RISK; YOUR RESPONSIBILITY

You are solely responsible for evaluating the Tool and deciding whether it is appropriate for your needs and your environment. You are responsible for testing it in a non-production environment, reviewing its behavior, maintaining backups, and complying with your own change-control, security, and data-protection obligations before use. You use the Tool entirely at your own risk. Liquidware makes no guarantee or commitment of the compatibility of the Tool with any other software or hardware, including Liquidware’s commercial software products.

5. NO SUPPORT OR MAINTENANCE

The Tool is provided without any support, maintenance, updates, patches, or bug fixes. Any assistance offered by Liquidware personnel or community members is provided on a courtesy basis, creates no obligation, and does not modify this License.

6. DISCLAIMERS AND LIMITATIONS OF LIABILITY

The Tool is provided as a convenience free of charge, and your decision to use it is voluntary.

THE TOOL IS PROVIDED "AS IS" AND "AS AVAILABLE," WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND. LIQUIDWARE DISCLAIMS ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, SATISFACTORY QUALITY, OR ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. LIQUIDWARE DOES NOT WARRANT THAT THE TOOL WILL BE ERROR-FREE, SECURE, UNINTERRUPTED, OR FREE OF HARMFUL COMPONENTS, OR THAT IT WILL MEET YOUR REQUIREMENTS.

LIQUIDWARE AND ITS AFFILIATES, OFFICERS, EMPLOYEES, CONTRIBUTORS, AND AGENTS ARE NOT LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL,

EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR ANY LOSS OF PROFITS, REVENUE, DATA, GOODWILL, OR BUSINESS INTERRUPTION, ARISING OUT OF OR RELATING TO THE TOOL OR THIS AGREEMENT, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR ANY OTHER THEORY, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Some jurisdictions do not allow the exclusion or limitation of certain damages, so some of the limitations and exclusions above may not apply to you if and to the extent prohibited by applicable law. However, the limitations and exclusions of liability above are to be interpreted in a manner that, to the extent possible, most closely approximates a complete and absolute disclaimer and waiver of all liability.

7. LIMITED SCOPE

This License applies only to the Tool. It does not amend, supersede, or affect any separate license, subscription, support, or other agreement between you and Liquidware governing Liquidware's commercial software products. Your use of the Tool is not part of, and confers no rights under, any such agreement.

No license to any Liquidware trademarks or patents are granted under this License.

8. TERM AND TERMINATION

This License is effective until the earlier to occur of the following: (a) expiration of the copyright and other IP rights in the Tool, or (b) termination as provided below. This License terminates automatically if you breach the terms and conditions of this License.

Liquidware may also terminate this License upon notice to you. Upon termination you must stop using and destroy all copies of the Tool. Sections 4 through 7, 9 and 10 survive termination.

9. GOVERNING LAW

This License is governed by the laws of the State of Georgia, USA, without regard to its conflict-of-laws rules. The United Nations Convention on Contracts for the International Sale of Goods is expressly excluded and disclaimer.

10. MISCELLANEOUS

No waiver by Liquidware of any provision of this License will be effective unless it is in writing, refers to this License, and is signed by an authorized representative of Liquidware. No failure or delay by Liquidware to exercise any right, power, or remedy constitutes a waiver of that right, power, or remedy. Liquidware's waiver as to one matter is not to be construed as a waiver of any succeeding matter. If any provision of this License requires judicial interpretation, this License is not to be more strictly construed against one party than the other. If any provision of this License is declared invalid by a court of competent

jurisdiction, the provision will be ineffective only to the extent of the invalidity, so that the remainder of that provision and all remaining provisions of this License will continue in full force and effect. You may not assign, sublicense, or transfer your rights or obligations under this License without the prior written consent of Liquidware; any attempt by you to do so is null and void. This License contains all the terms and conditions between you and Liquidware regarding your use of the Tool and the subject matter of this License and supersedes all prior or other understandings regarding them.
